KAINDL BOARDS KOLLEKTION 2025

JAF-Lagersortiment

Die neue Kaindl Boards Kollektion 2025

Von Salzburg aus erobert Kaindl mit seinen Produkten die Welt. Über viele Jahrzehnte hinweg erwirbt das Traditionsunternehmen Kompetenzen in der Gestaltung ansprechender Materialien für den dekorativen Innenausbau. Ein fortwährender Austausch mit dem verarbeitenden Gewerbe gewährleistet ein tiefes Verständnis für Dekore und Oberflächen. Daher finden sich im Sortiment von Kaindl stets eine gelungene Mischung aus zeitlosen Klassikern und ansprechenden, modernen Trends. Auch die neue dekorative Kollektion von Kaindl gibt Verarbeitern eine breite Auswahl an Dekoren und Oberflächen an die Hand, mit der unterschiedliche Kundenwünsche realisiert werden können.

Die Kollektion

Moderne Küchen, reduzierte Wohnzimmer, Schlafzimmer zum Wohlfühlen und Entspannen oder Büroräume für das fokussierte Arbeiten: Verschiedene Räume stellen unterschiedliche Ansprüche an die benötigte Einrichtung. Umso wichtiger für Verarbeiter ist daher eine Auswahl an Dekoren und Oberflächen, die einerseits mit Übersichtlichkeit überzeugt und gleichzeitig einen breiten Anwendungsspielraum eröffnet. Der neuen BOARDS-Kollektion von Kaindl gelingt diese Gradwanderung. Innerhalb der Kollektion sorgen WOODline, ARTline und COLOURline für eine übersichtliche Struktur. Jede dieser „lines“ versammelt unter sich unterschiedliche Holz-, Material- und Uni-Dekore, mit denen Raumkonzepte umgesetzt werden können.

Anti-Fingerprint-Oberfläche

Ein besonderes Feature der Kollektion sind ausgewählte Dekore der COLOURline, die über Anti-Fingerprint-Eigenschaften verfügen. Ihr besonderer Aufbau lässt Oberflächen entstehen, auf denen keine Fingerabdrücke zurückbleiben. Die Dekore eignen sich ideal für den Einsatz im hochwertigen Möbelbau, indem sie nicht nur optisch elegant überzeugen, sondern auch mit dieser ansprechenden technischen Eigenschaft punkten. Die Auswahl der Dekore in Kombination mit der Anti-Fingerprint-Eigenschaft erlaubt es, durch unterschiedliche Farb- und Oberflächenzusammensetzungen Räume voller Charme und Charakter entstehen zu lassen.

Ausgewählte Dekore der neuen BOARDS Kollektion von Kaindl sind als Teil des All-In Sortiments von JAF in ganz Österreich schnell verfügbar. Die Dekore stehen Ihnen als beschichtete Platte in 19 mm und im Verbund mit Schichtstoff sowie als Kante zur Verfügung.
